Product information
MR® 94 W White light-YokeR

MR® 94 W White light-YokeR

LED white light module for coloured magnetic particle inspection acc. to EN ISO 9934-1

Hand yoke not included in delivery.

- **mountable on standard Hand yokes**
- **current supply by magnetic field**
- **excellent light distribution of app. Ø 120 mm (at a distance of 100 mm)**
- **incl. LED-protection glass**

Technical data:

Order no. MR® 94 W White light-YokeR	94W L
Weight	217 g
Dimensions	L = 95 mm, B = 55 mm
Max. clamp size	50 x 50 mm
Life span LED´s	> 5.000 h
Rejected heat	< 30°C
White light	app. 1.700 lx
Colour temperature	app. 9.000 K
Spectral distribution	distance 10 cm: ∅ app. 120 mm

11.06.2014/db
