

## Field strength meter MFM 200

to measure DC and AC magnetic fields

### Technical Data

Measuring range:	0-200 A/cm
Display:	digital LCD
Accuracy:	± 2%
Power supply:	9 V Battery
Operating time with one battery:	ca. 60 hrs
Weight incl. probe:	0,3 kg
Tangential field probe:	1,5 mm thick
Including calibration standard	

Order no.: B1 L
